Hi everybody, here's the news for May. If you have any information for the June newsletter, please see Bonnie Godbold, Sandy Armstrong, or Robbie Leggett.

#### MISC.

Has everyone seen Julia Gable "sparkling"? Her husband, Lyle presented her with a lovely set of rings containing 13 diamonds for their 25th wedding anniversary. Delores Yon became Mrs. Danny Oliver on May 17. Nancy Thompson is expecting a baby in October. Mary Fuller and Bonnie Godbold have both gotten contact lens, and Anna Evans is now wearing eye glasses. There is 8½ pounds less of Dreme Hodges since she joined Weight Watchers. And...she's sporting a new hair-do. On May 12, the Rebels (the softball team on which Debbie McLane plays) won a game 76 to 0. This is a record breaking score for Jacksonville. Congratulations to Debbie and all the other Rebels. Marlene Bialek has a new 1975 baby blue Lincoln Continental. The last I heard, she was taking her fellow employees on a tour of the parking garage, so they could see her pride and joy. Steve and Ann Willbanks are picking string beans out of their garden now. Betty Holmes' daughter, Trina, won a red ribbon for second place in a relay race at West Riverside Elementary School. Congratulation to Lou Garrell on her promotion to section leader. Lou will replace Shirley Sellers, who will be leaving us soon.

#### VACATIONS

Goldie Siegel, Jill McKnight, Gail Henderson and Jackie Bassett all visited Disney World together the week-end of April 26th and 27th. They left at 5 o'clock in the morning Saturday and came back Sunday night. Goldie says that they really had a good time. Alice Miller went "home" to Texas for a week's vacation.

#### ACCIDENT REPORT

I know this sounds like something out of a cartoon, but...Evette Dykes tripped over a pair of roller skates and fell down two flights of stairs. She is presently sporting a beautiful Ace bandage for her sprained ankle, along with numerous bruises. We're glad she didn't get anything worse. Robbie Leggett dropped a fat Commission book on her foot and can be seen limping down the hall. We don't know about JoAnn Robinson and Ruth Turner...They both came to work with sprained ankles and each of them swear they don't know how it happened. Ruth just got out of bed one morning and discovered hers. JoAnn noticed hers at work when her foot swelled so big she couldn't get her shoe on. Peggy Anderson stepped on a needle and was recently in the hospital having it surgically removed. We hope everyone recovers from these mishaps!

#### THE FLOWER SHOPPE

Ivy Townsend's husband, Johnny, sent her a large dish garden to commemorate her seventh anniversary with the company. Eleanor Mazyck received a bouquet of long stem red roses for Mother's Day. Sharon Hill's husband and daughter showed their appreciation of her by sending a large bouquet of assorted flowers for Mother's Day. A large pink hydrangea plant arrived for Brenda Thompson for Mother's Day from her husband and children. Francis Bowers received a lovely arrangement of assorted flowers in a ceramic dish from her daughter and son-in-law. Shirley Wilkerson received a large bouquet of red sweetheart roses and beautiful cake for her birthday from "her girls". JoAnn Robinson got a terrarium in the shape of a fish and a hand-made miniature wheel barrow for flower arrangements. A carnation arrived for Lillian Purcell the Friday before Mother's Day, but she was on vacation. It was from her son in Mexico and was finally delivered the next day to her home. Bonnie Godbold received a dozen red roses for Mother's Day from her husband, Kenny. Connie Long recently celebrated her 3rd wedding anniversary, and her husband sent her flowers for the occasion.
